

FINDING OF NO SIGNIFICANT IMPACT (FONSI)

ENVIRONMENTAL ASSESSMENT (EA) DOI-BLM-UT-0020-2015-0031-EA

Utah Prairie Dog Translocation/Nest Boxes

This unsigned FONSI and the attached EA DOI-BLM-UT-0020-2015-0031-EA for the Richfield Field Office are available for public review and comment for 15 days beginning on June 5, 2015.

Based on the analysis of potential environmental impacts in the attached EA and consideration of the significance criteria in 40 CFR 1508.27, I have determined that with required and proposed mitigating measures the Utah Prairie Dog Translocation/Nest Boxes would not result in significant impacts on the human environment. An environmental impact statement (EIS) is not required.

The decision to approve or deny the Utah Prairie Dog Translocation/Nest Boxes, and if appropriate a signed FONSI with rationale, will be released after consideration of public comments and completion of the EA.
